PROFESSIONAL SUMMARY

Motivated Apprentice keen to learn the building trade. Expert in using equipment, hand tools and power tools to complete tasks quickly and accurately. Ready to bring a hard-working mentality and mechanical skills to my new role.

WORK HISTORY

APPRENTICE BUILDER | 04/2019 - Current

Good Foundations Ltd - London

- Maintained excellent quality standards throughout construction work for high levels of customer satisfaction.
- Loaded and unloaded materials from suppliers, continually adhering to site safety protocols.
- Carried out general day-to-day site work including cement mixing and removal of waste materials.
- Maintained a clean and tidy site, minimising risk and optimising staff wellbeing.
- Reported to site management, ascertaining daily requirements and working effectively and efficiently to meet them.

BUILDING ASSISTANT | 01/2017 - 03/2019

Family & Son Builders - London

- Effectively used hand and power tools, such as drills and mixers, to successfully fulfil tasks.
- Minimised material loss or damage by verifying that materials were protected according to site material storage policies.
- Consistently met project goals, performing preparatory work, such as unpacking materials to ensure optimal project outcome.
- Obtained documents, clearances, certificates and approvals from local, state and federal agencies.
- Supported senior builders in improving operations and resolving issues to deliver top-notch customer service.
