

Hi Fabio De Sigley,

I hope you're well.

I am writing to express my keen interest in the Support Worker position at Creighton Children's Home. With a decade of hands-on experience supported by a Level 4 Diploma in Social Work, I am confident in my ability to make a positive impact on the lives of the children under your care.

As a qualified Support Worker with a compassionate approach, I have worked with children between the ages of 3 and 19 within children's homes and outpatient support. My expertise in implementing personalised care plans has led to a significant improvement in the well-being of numerous children.

For instance, in my previous role at Park Children's Home, I facilitated therapeutic art activities that resulted in a 25% enhancement in social interactions among children. I have also held roles as a Mentor and Child Advocate, enabling me to advocate for the needs and rights of vulnerable children effectively. During my role at Mind Charity, I witnessed a remarkable 38% overall development improvement in the children I supported.

Thank you for your consideration and I am available for an interview at your convenience.

Kind regards,
Carey Jackson
